Pages 1&6 Border policies cross the line

**DISCUSSION**

- What are some things that motivate people from other countries to leave their homes and come to the United States?
- What are some concerns of people in the United States who want to reduce or restrict the number of immigrants entering the country?
- How do immigrants benefit the United States?
- What challenges do immigrants face?
- Do you think it is appropriate for people to immigrate to a different country:
  - to seek safety from persecution and violence?
  - to pursue a better life and more opportunities?

Page 6 Farming is “noble vocation,” say scientists, farmers, theologians

**DISCUSSION**

- What are some things about farming that are unique compared to other ways of making a living? For example:
  - uncertainties
  - work schedules
  - economics and finances
  - skills needed
- What are some trends that are bringing farmers (producers of food) and the public (consumers of food) closer together?
