Each of these priests affirmed that his decision to become a priest has proven to be right, and that his decades in the priesthood have been rewarding and fulfilling.

DISCUSSION

- Consider a major life decision you may have to make in the next few years: for example, a career you will pursue; relationships into which you will enter; where you will live.
 - What are some of the factors that will influence this decision?
 - What outcomes do you think might cause you to look back on the decision decades later and feel confident that it was the right decision?

DISCUSSION

- Talk about a story (fiction, non-fiction or a personal anecdote) that has had an impact on you.
- How can sharing stories bring people together?
- Talk about themes that are common to stories in different cultures or religious traditions: for example, virtues; moral or ethical choices; motivations like competition, power or wealth; values like justice or compassion.
