Pages 10-11 Delanson garden offers fun and food for seniors

DISCUSSION

After reading this article, consider the ways in which this community brought this garden from idea to reality. For example, how they

- identified what was needed
- got the word out
- accessed a range of expertise and resources
- tapped into existing organizations and groups

What can this project teach others who want to make something happen?

How does this show the power of community?

What motivates people to pitch in to bring about something larger than themselves?
