**DISCUSSION**     Bishop Scharfenberger points out that “what we want and what we need are not always the same thing.” Yet, he says that God desires our happiness.

- How can we tell the difference between a “want” and a “need?”
- When has being denied a “want” led you to receive a greater happiness?
- What is wrong with praying for God to intervene to grant us something we want without investing our own effort to earn it?

- What are some ways to get through periods of doubt?

Mrs. Shirey spoke about “thin spots.”

- What do you think she means by “thin spots?”
- Talk about a time in your life when you have experienced a “thin spot.”
